For resident well-being, hygiene is critical

Tork is the #1 professional hygiene brand in the world¹ and our expert team will help you improve health and prevent illness in residential aged care by having what you need, where you need it.

Control the spread of infection and ensure compliance

- Reduce the risk of cross contamination with Tork touch-free enclosed dispensers, single use products and HACCP food contact approved wipers
- Use our hand hygiene posters and signs to prompt how and when to wash and sanitise hands
- We offer hand hygiene and surface cleaning training for staff and can make sure you're audit ready with our hygiene checklist

Improve dignity and resident satisfaction

- Lift your image with our design award winning dispensers that are free on loan and superior quality products that are endorsed 'easy to use'
- Assist vision impaired residents with black dispensers that contrast against light coloured walls and white paper
- Prevent skin tears with no sharp edges on dispensers

Make life easier for staff

- Prevent strains with our easy to use carry cases and side opening hand towel dispensers
- Prevent blocked toilets with flushable hand towels
- Refill soap and sanisiters in seconds with our dispensers that are certified easy to maintain
- Save time using our single Tork key that fits in all Tork dispensers

Certified "Easy to use" by the
Swedish Rheumatism Association

Resident rooms

We can help ensure residents are comfortable, hygiene is maintained and that tasks are made easier to maximise independence.
