

Tork helps you reach your sustainability goals by making sustainability easier.

Focus4 sustainability product benefits

Materials & packaging  - EU Ecolabel certified refills – reduced environmental impact across the product life cycle - FSC® certified refills – made from responsibly sourced fibre.	Use & waste  Reduce refill frequency with a one-at-a-time dispensing system that helps control consumption and reduce waste. (1)
Carbon  Reduce transportation with towels that are compressed by 50% . (2)	Hygiene for all  - Dispensers are certified Easy to use. (3) - Tork Easy Handling® ergonomic packaging for easier carrying, opening and disposal. - Highest capacity (up to 250% more sheets) on the market means fewer refills, allowing staff to spend their time more efficiently. (4)

The information includes sustainability benefits on a system level for [Tork PeakServe® system (H5)], covering Tork refill & dispenser assortment for respective country. In cases where a specific benefit does not apply to all products in the assortment, this is clearly indicated.

1. Based on data from the field test that showed over 10,000 towels, no double dispensing occurred over 98% of the time.. 2. With compressed towels you get twice as many towels (100% more) per cubic metre meaning you gain storage space and can transport more towels (*compared to Tork folded towel 150299). 3. Certified by the Swedish Rheumatism Association.. 4. Compared to roll towel systems in Europe and compared to Tork Universal refills and folded-towel dispenser 552000..
