Tork Soap & Sanitisers

Better Hygiene for Better Business

**Versatile
solutions for
multiple needs**

**Improve
hand hygiene
for all**

**Support your
sustainability
goals**

Meet different, demanding hygiene needs with our versatile solutions

Tork Soap & Sanitiser products help you maintain a high level of hygiene and do more for your business, by providing safe, sustainable solutions with multiple efficiency benefits.

Versatile solutions for multiple needs:

- Dispenser options to fit every space and style, including stainless steel, sensor, manual, and half-size formats.
- Our diverse range of foam soaps, liquid soaps, and sanitisers deliver superior hand hygiene and meet the needs of every business.
- Our new S4 and S5 manual dispensers offer a variable dose size to optimise consumption, hygiene and user experience.

Improve hand hygiene for all:

- A factory-sealed bottle with a new pump for every refill helps reduce the risk of contamination.
- Tork Soap & Sanitiser dispensers are certified 'easy to use', encouraging hand hygiene for all.
- Fast refilling in less than 10 seconds, minimising maintenance time and ensuring dispensers stay stocked.

Support your sustainability goals:

Here's how our Soap & Sanitiser range is delivering smarter, more sustainable solutions for both people and the planet.

Materials & packaging

Tork Foam and Liquid soaps contain at least 94% naturally derived ingredients.¹

Clarity Foam Soap is made from 99% natural ingredients.¹

Use & waste

Collapsible bottles reduce waste volume by 70%, supporting efficient disposal.²

Carbon

Tork Soap & Sanitiser refills are produced with certified renewable electricity.³

Hygiene for all

The Tork Soap & Sanitiser system is certified 'Easy to use' by the Swedish Rheumatism Association, making hygiene accessible for all.

1. According to specification and ISO16128, including water

2. Based on Essity test

3. Purchased, renewable electricity is certified according to EECS with Guarantees of Origin. Excludes 520501
