A smart way to lower usage

Tork® SmartOne® toilet roll system cleverly dispenses one sheet at a time, helping to reduce consumption. Lower consumption means fewer refills and less maintenance and storage.

- Reduce consumption with one-at-a-time dispensing
- Limit unnecessary waste by using every last sheet with the SmartOne Twin Mini dispenser
- Stop pilferage with a lockable dispenser

Prevent vandalism

- Avoid frustrating dispenser breakages with a shock-resistant polycarbonate option
- Prevent rolls from being lit with a fire-resistant dispenser
- Tamperproof, fully enclosed dispenser prevents unwanted items being forced inside

Improve hygiene

- Reduce the chance of cross contamination as the user only touches the sheet taken
- Specifically designed to be easy to clean and service
