## Reduce risk, increase efficiency with purpose built products for food processing

Improve hygiene  
and reduce risk

---

Increase operational  
efficiency

---

Reduce waste and  
meet sustainability  
goals

### Welcome to the Tork® Food Processing Range

Food Zone Production	5-7
Laboratory / QA kitchen	8
Staff kitchens / canteens / breakrooms	9
Washrooms / toilets / clean rooms	10-11
Inwards goods and reception	12

## Where Tork can help

Tork products can be used across all areas in your facility to improve hygiene and increase efficiency. On the following pages, we explain each area in more detail.

#### Food Zone Production

- Hygienic hand washing and drying
- Hosing down production areas
- Wiping down food
- Cleaning machinery and parts
- Wiping up spills and food remains

#### Laboratory / QA kitchen

- Equipment cleaning
- Improved hand hygiene

#### Staff kitchens / canteens / breakrooms

- Tea towel replacement
- Hygiene when eating
- Waste disposal

#### Washrooms / toilets / clean rooms

- Hygienic washrooms
- Better hand hygiene
- Waste disposal

#### Inwards goods / reception

- Hand hygiene

## Exceed hygiene standards with Tork's purpose built products for food manufacturing

As the number one professional hygiene brand in the world,<sup>1</sup> we deal with people in all industries. We know how critical hygiene is in food manufacturing. Which is why our products are specifically designed to help meet your regulatory requirements, so you can get on with business.

#### Improve hygiene and reduce risk

- Tork has the widest range of cloths and wipers with HACCP FZP certification, ensuring they are safe to use in direct contact with food reducing the risk of cross-contamination
- Improve hygiene with Tork touch free enclosed dispensers where you only touch what you use
- Increase hygiene compliance with expert advice on optimal placement of dispensers to ensure product is accessible when and where you need it

#### Increase operational efficiency

- Improve efficiency with high-capacity hand towel, toilet paper, soap and sanitising dispensing systems that require less refilling and avoid run-outs
- Save time and simplify spray downs with Tork Washstation water-resistant hand towel dispenser
- Reduce motion waste with optimal placement of handy dispensers, wipes and consumables where and when needed, minimising workflow interruptions and downtime
- Save time with Tork cleaning cloths, produced using patented exelCLEAN™ endless fibre technology for greater strength and cleaning efficiency

#### Reduce waste and meet sustainability goals

- Reduce inventory waste and overconsumption with convenient one-at-a-time dispensing solutions including Reflex™ wiping paper, SmartOne® toilet paper and Xpressnap® napkins
- Lower climate impact with locally made products that are produced using high levels of renewable energy and geothermal steam
- Reduce waste with packaging improvements, such as compressed cleaning cloths that have less packaging

1. Based on 2013 Shared Market View Data

# HACCP Certification

HACCP certification is designed to provide assurance to (food) buyers and sellers as to the 'fitness for purpose' of products, materials or services.

## HACCP has three key Food Zone Classifications:

- FZP** FZP (Food Zone Primary) items are suitable to use in the food zone and are suitable for contact with food
- FZS** FZS (Food Zone Secondary) items are suitable for touching food contact surfaces but are not expected to touch food during normal conditions of use
- SSZ** SSZ (Splash or Spill Zone) items are suitable for use in food handling areas such as kitchens, production and processing areas, but are not suitable for coming directly into contact with food or items that will touch food. Many Tork dispensers are HACCP certified SSZ

## How can Tork help businesses with HACCP certification?

Tork provides a complete HACCP solution with leading edge hygiene products to help stop the spread of bacteria and food contamination by meeting strict HACCP Food Zone Primary (FZP) and Food Zone Secondary (FZS) standards.

## Food Zone Production

Purpose built for wet environments, the new Tork Washstation simplifies spray downs, reducing waste and saving labour time.

### Tork Washstation W6

- Water-resistant hand towel dispenser - no need to cover up or remove during spray downs
- High-capacity hygienic dispensing for fewer run-outs and less downtime
- HACCP FZP certified blue paper offers traceability in food materials, improving food safety

FSC Recycled: 130002  
100% Recycled

## Sustainable sourcing, third party certifications and EPDs derisk purchasing decisions

### Forest Stewardship Council® (FSC®)

FSC certification ensures that products come from responsibly managed forests and other controlled sources that provide environmental, social and economic benefits. Look for our FSC® certified products throughout this brochure. [fsc.org](http://fsc.org)

### HACCP (Hazard Analysis and Critical Control Points)

is an internationally recognised risk management system identifying, evaluating and controlling hazards related to food safety.

### Swedish Rheumatism Association 'Easy to use'

certification is awarded to products that can easily be used by people with reduced hand strength.

### Environmental Choice New Zealand (ECNZ)

operates to international specifications requiring a reduction of impact over the product life cycle.

### Environmental Product Declarations (EPDs) are

independently verified and registered documents containing transparent and comparable data about the environmental impact of products through their life cycles.

## Food Zone Production

Tork understands that good hygiene in production areas is critical which is why we offer the widest range of food contact safe, HACCP FZP certified wipers and cloths.

## Food Zone Production

Prevent cross-contamination while improving hygiene standards more efficiently with wipers and cloths built for harsh environments.

### Wiping down food and spills

- 473180** Tork Reflex Single Sheet Centrefeed Dispenser
- 473242** Tork Reflex Wiping Paper White † 1 Ply 857 sheets
- 473480** Tork Reflex Wiping Paper Blue † 1 Ply 805 sheets
- 473263** Tork Reflex Wiping Paper Plus Blue † 2 Ply 429 sheets

### Tork Reflex™ Wiping Paper M4

- Choose HACCP FZP certified wipers to wipe down or strain food
- Single-sheet, hygienic dispensing reduces paper consumption by up to 37%<sup>2</sup>
- Touch only what you take and reduce the risk of cross-contamination

FSC Mix: 473242  
FSC Recycled: 473480, 473263

### Tork Centrefeed Wiping Paper M2

- High-capacity, free-flow centrefeed for quickly wiping up large spills and mess
- Certified HACCP FZP - safe for direct contact with food
- Convenient wall mounted dispensing provides wipers in the right place for increased efficiency

FSC Recycled: 128208  
FSC Mix: 100134, 2198859, 120155  
120155 - EPD lifecycle data

### Tork Centrefeed Basic Paper M2

- High volume low cost centrefeed rolls for single use application
- Hygienic dispensing with easy-to-tear perforation
- Convenient wall mounted dispensing

FSC Mix: 130042, 130041, 130052

### Tork Wiping Paper Plus W1/W2

- Reduce the risk of cross-contamination with certified food contact safe disposable wipers
- Made with QuickDry technology - stronger when wet and more absorbent for more efficient wiping
- Improve workstation efficiency with convenient formats and mobile, wall-mounted and portable dispensing solutions

- 559030** Tork Centrefeed Dispenser
- 128208** Tork Wiping Paper Blue 1 Ply 320m
- 100134** Tork Wiping Paper White 1 Ply 275m
- 2198859** Tork Basic Paper Blue 1 Ply 300m
- 120155** Tork Basic Paper White 1 Ply 300m

- 130042** Tork Wiping Paper Plus 2 Ply 750 sheets †
- 130041** Tork Wiping Paper Plus 2 Ply 750 sheets †
- 130052** Tork Wiping Paper Plus 2 Ply 750 sheets †

### Tork Industrial Heavy-Duty Wiping Paper

- Strong 3 Ply wiping paper with QuickDry absorption and strength for more demanding tasks and protects hands from heat
- Blue for food safety planning, certified HACCP FZS
- Convenient formats and dispensing solutions for increased efficiency

FSC Mix: 130081, 130082, 130083

### Tork Cleaning Cloths W4

- Food safe HACCP certified cloths with hygienic one-at-a-time dispensing
- Excellent hold and release properties ensures less cleaning chemicals used
- Wall mounted dispensers for tight spaces and easy refilling

FSC Mix: 510479, 530180, 530179, 530137

### Tork Heavy-Duty Cleaning Cloths

- Strong, absorbent multi-purpose cloths - HACCP certified
- Excellent absorbency and strength when wet with exelCLEAN technology ensures less time and effort cleaning
- Range of Tork dispensers keep wipers close at hand reducing motion waste and increasing efficiency

### Tork Floor and Wall Stand Dispensers W1

- Mobile floor stand easy to move to wherever needed
- Easy, ergonomic loading for safe and reliable dispensing
- Optimal placement of dispensers helps improve efficiency, hygiene compliance and safety

### Surface cleaning

- 130081** Tork Industrial Heavy-Duty Wiping Paper W1/W2 † 3 Ply 350 sheets

- 130082** Tork Industrial Heavy-Duty Wiping Paper W4 † 3 Ply 100 sheets

- 130083** Tork Industrial Heavy-Duty Wiping Paper Handy Box W7 † 3 Ply 200 sheets

- 654000** Tork Folded Wiper / Cloth Dispenser

- 510479** Tork Cleaning Cloth 1 Ply 120 cloths

- 530180** Tork Heavy Duty Cleaning Cloth 1 Ply 70 cloths

### Machinery maintenance and cleaning

- 654008** Tork Folded Wiper / Cloth Dispenser W4

- 530179** Tork Heavy Duty Cleaning Cloth W4 1 Ply 105 cloths

- 653008** Tork Maxi Centrefeed Dispenser W2

- 530137** Tork Heavy Duty Cleaning Cloth W1/W2 1 Ply 280 cloths

- 652108** Tork Wall Stand Dispenser W1

- 652008** Tork Floor Stand Dispenser W1

## Laboratory / QA kitchen

Comply with hygiene standards with Tork's easily accessible dispensers making cleaning more efficient than ever before.

## Staff kitchens / canteens / breakrooms

Good hygiene compliance reduces risk wherever food is prepared or served. Tork ensures the very best practices for cleanliness and comfort in these busy gathering spots.
