Tork EasyCube	12

For health and well-being, hygiene is critical

Tork is the #1 professional hygiene brand in the world² and our expert team will help you improve health and prevent illness while maintaining efficiency and reducing waste.

Take care of staff and visitors' health and hygiene

- Our expert team will help you improve health and prevent illness by having what you need where you need it
- Reduce the risk of cross-contamination with Tork touch free enclosed dispensers and single use products
- Use our hand hygiene posters and signs to prompt how and when to wash and sanitise hands plus we offer hand hygiene and surface cleaning training for staff

Improve efficiency and reduce maintenance

- Revolutionise efficiency and quality with Tork EasyCube[®] data driven cleaning solution
- Lower consumption with one-at-a-time dispensing and optimised portion size
- Reduce refilling with patented high capacity systems
- Safeguard well-being with easy to use ergonomic dispensers and easy handling cases

Take action to meet your sustainability goals

- Lower climate impact with locally made products that are produced using renewable energy and geothermal steam
- Reduce waste with packaging improvements and systems designed to use less
- Ensure your products are ethically sourced with our exploitation-free commitment

Reception & Conference Rooms

A clean impression lasts. Make sure everyone who enters your reception or conference room, gets the right impression about the company.
