

Tork SmartOne® Toilet Paper (T8,T9)

Tork helps you reach your sustainability goals by making sustainability easier.

Focus4 sustainability product benefits

Materials & packaging

- EU Ecolabel certified refills – reduced environmental impact across the product life cycle.
- FSC® certified refills – made from responsibly sourced fibre.
- Most of the plastic packaging for refills is made from at least 30% post-consumer recycled plastic (rest to come by end of 2025). (1)

Use & waste

- Tork SmartOne reduces toilet paper consumption by up to 40% (2)
- Twin dispenser helps to minimise stub-roll waste.

Carbon

- Tork SmartOne® has an average cradle-to-grave carbon footprint of 3.8g CO2e per use, with cradle-to-gate part 2.6g CO2e per use. (Only valid for EU) (3)
- Carbon-neutral-certified dispensers – produced with certified renewable electricity and compensated with climate projects. (4)

Hygiene for all

- Tork Easy Handling® ergonomic packaging for easier carrying, opening and disposal.
- Easy to access and to take toilet paper with just one hand – helpful for caregivers assisting others

The information includes sustainability benefits on a system level for [Tork SmartOne® Toilet Paper (T8,T9)], covering Tork refill & dispenser assortment for respective country. In cases where a specific benefit does not apply to all products in the assortment, this is clearly indicated.

1. Check the catalogue to see individual product certifications and claims.. 2. Internal research on 7,729 users in Europe. Traditional maxi jumbo dispensers vs Tork SmartOne Twin Mini dispensers. Reduction accounted for by square metre per visit. Maxi Jumbo 13.2dm2. Tork SmartOne Twin Mini 8.2dm2. 3. Represents the Tork SmartOne® European refill assortment per user occasion. Based on third-party reviewed life-cycle assessments (LCA) covering all refill quality tiers combined with consumption data. Because this data is a system average, it is not intended to be used in carbon reporting for specific articles and consumption.. 4. Valid for dispensers sold or leased in Europe (except France) from May 2023. ClimatePartner certified product: www.climate-id.com/en-gb/9VIUDN..
