Think ahead.

Wipers and towels for every task

Tork® is focused on making your working day easier. Your task decides what product you choose. Finding the right product for your needs starts with looking at what job it does. To help you, we have defined the following tasks.

- **Wiping**
  Wiping is picking up spills, soaking up liquids and picking up dirt and dust with a paper-based wiper.

- **Cleaning**
  Cleaning is removing dirt and stains from surfaces, machines or tools with cloths that are dry or used together with water, solvents or detergents.

- **Disinfecting**
  Sanitizing and or Disinfecting involve hygienically cleaning a surface by removing or killing harmful microorganisms.

- **Polishing**
  Creating a protected and shiny surface with the help of a cloth that applies polish onto the surface and is then rubbed to obtain a good finish.

Dispensers

We offer a wide range of wall-mounted, floor standing or fully portable dispensing systems.
We also have stand-alone systems where the wipers dispense directly from the packaging they come in, like our Pop Up and Handy Boxes.
