# Tork Focus4 Développement durable

Les produits Tork envisagent l'hygiène sous un angle circulaire, en offrant des solutions d'hygiène plus efficaces, accessibles et durables. Avec les nouveaux supports Tork Focus4 Développement durable, nous vous communiquons les données et avantages relatifs au développement durable de nos produits pour vous aider à vous concentrer sur ce qui compte pour votre entreprise.

## Matériaux et emballages

Approvisionnement responsable et utilisation accrue de matériaux renouvelables, recyclés et naturels.

## Utilisation et déchets

Réduire les déchets grâce à une réduction de la consommation et des solutions circulaires.

## Carbone

Réduire l'impact carbone tout au long du cycle de vie des produits et services Tork.

## L'hygiène pour tous

Nous nous engageons à améliorer les normes d'hygiène pour la majorité des utilisateurs.

# Découvrez notre approche holistique et transparente

Tork s'engage à développer des solutions d'hygiène durables et innovantes qui sont bonnes pour les entreprises, et meilleures pour les personnes et la planète. Les avantages de Tork Focus4 Développement durable vous aident à choisir les meilleurs produits pour vos sanitaires durables.
