

Better hygiene for better workflow

Solutions that do more so you have more time for guests

77%

of restaurant employees agree that service interruptions affect guest experiences¹

75%

of restaurant staff agree that hygiene products produce too much waste¹

59%

of restaurant staff time is spent cleaning¹

No time to waste

Food service is a fast-paced world. Daily pressures can make it hard for restaurants to focus time on how to make their business better. They know that the more seamless the service, the more time they have to ensure customer satisfaction — meaning a more successful the business. It sounds simple, but it's easier said than served.

Smarter cleaning with Tork Workflow for Restaurants

Focusing on hygiene for better staff and guest experience

Tork Workflow™ is an expert service designed to improve experience for both guests and staff, maximise operational efficiency and ensure a hygienic and sustainable environment throughout your restaurant.

Workflow tips

Front of house

Save time and reduce waste with controlled dispensing.

Tork Xpressnap® Dispensers reduce consumption by at least 25%.²

272611

Back of house

Save time with products that have multiple cleaning functions.

Tork® 2 in 1 Scouring and Cleaning Cloth is absorbent and abrasive to take on tough messes.

Washrooms

Small design. Plenty of towels.

Serve twice as many guests between refills.³ The Tork Xpress® hand towel system now has double the capacity in a dispenser with bundles that are 50% compressed.⁴
