## Product Recommendations for Grocery and Pharmacy

### Restrooms

Support shopper and employee hygiene with one-at-a-time dispensing that reduces cross-contamination and high-capacity dispensers that ensure that product is available. High capacity also means that maintenance employees have to spend less time in the cleaning areas contributing to less exposure.

Item #	Dispensers or Products	Refills
552520	<b>Tork PeakServe® Continuous™ Hand Towel Dispenser</b>	105065 Tork Advanced PeakServe Continuous Hand Towel
571600	<b>*Tork Foam Skincare Automatic Dispenser</b>	401211 Tork Premium Extra Mild Foam Soap
571501	<b>*Tork Foam Skincare Manual Dispenser</b>	401211 Tork Premium Extra Mild Foam Soap
473200	<b>Tork Elevation Coreless High Capacity Bath Tissue Dispenser</b>	472880 Tork Advanced Coreless High Capacity Bath Tissue Roll

\*Sanitizer dispensers and refill supply may be limited while we ramp up capacity. Talk to your Tork Representative for more details.
