

# Tork Xpress® Multifold system (H2)

Tork is committed to developing innovative, sustainable hygiene solutions that are better for business, people and the planet.

## Focus4 sustainability product benefits

- 5 Materials & packaging
- 3 Use & waste
- 3 Carbon
- 5 Hygiene for all

### Materials & packaging

- EU Ecolabel certified refills – reduced environmental impact across the product life cycle
- FSC® certified refills – made from responsibly sourced fibre
- Most of the plastic packaging for refills are made from at least 30% post-consumer recycled plastic (rest to come by end of 2025). (1)
- Tork Xpress Soft Natural Multifold Hand Towel is made from 100% recycled fibres, the colour comes from recycled cardboard boxes as one of the fibre sources.
- The Tork Xpress Multifold compressed range reduces packaging material with up to 27%. (2)

### Use & waste

- Reduce refill frequency with a one-at-a-time dispensing system that helps control consumption and reduce waste. (3)
- Tork hand towels can be recycled into new tissue via Tork PaperCircle® (5)
- Switching from Tork C-fold to Tork Xpress Multifold Compressed will help reduce waste with 26%. (6)

### Carbon

- Carbon neutral certified dispensers in Image line – produced with certified renewable electricity and compensated with climate projects. (8)
- Fit almost twice as many towels per truck with Tork Xpress Multifold compressed towels – contributes to reducing CO2 emissions on transportation. (9)
- Tork Xpress® Multifold has an average cradle-to-grave carbon footprint of 11.7 g CO2e per use, with cradle-to-gate part 8.0 g CO2e per use.(13)

### Hygiene for all

- One-sheet-at-a-time dispensing helps to minimise cross-contamination. (10)
- Drying hands with Tork paper towels will reduce more bacteria. (11)
- Refills are third-party verified for short-term food contact.
- Dispensers are certified Easy to use. (12)
- Tork Easy Handling® ergonomic packaging for easier carrying, opening and disposal.

For Wiping

The information includes sustainability benefits on a system level for Tork Xpress® Multifold system (H2), covering Tork European refill & dispenser assortment. In cases where a specific benefit does not apply to all products in the assortment, this is clearly indicated.

1. Check the catalogue to see individual product certifications and claims.. 3. Dispensability tests performed with Tork hand towel articles. 5. Available in select countries.. 10. Used in conjunction with articles 100297, 120289, 150299. 11. When washing with soap, water vs only using soap and water.
