# Elevate your hygiene standards with our innovation and support.

Tork is your trusted partner in maintaining infection prevention and hygiene compliance within your hospital. The design of Tork dispensers is functional and attractive, signalling to staff, patients and visitors that hygiene is taken seriously.

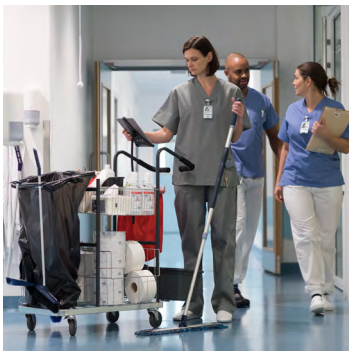

## Elevate your hygiene

- Tork PeakServe® hand towel dispensers help reduce dispenser refilling time
- Convenient placement of hand sanitiser reduces the spread of infections
- Tork provides additional support with dispenser placement, tips, Tork VR hand hygiene training and hand hygiene signage

## Improve the healthcare experience

- Reduce patient disruption with Tork's compact, quiet hand towel dispensers
- Increase accessibility with Tork PeakServe hand towel dispensers, featuring the lowest consistent pull force of any high-capacity hand wiping system
- Ensure public and patient care areas are clean and welcoming with attractive Tork dispensers

## Enhance cleaning efficiency

- Tork Vision Cleaning connected dispensers provide real-time information to cleaners to help them act on what's needed and where
- Tork PeakServe high-capacity dispensers use 50% compressed towels that allow more towels on the cart and lead to fewer restocking trips
- All Tork dispensers are easy to refill, single key, low-maintenance systems

Look out for this icon for **Tork Vision Cleaning** connected dispensers that provide real-time refill status for a data-driven approach to cleaning and servicing.

## Washrooms Public & Staff

Tork high-capacity dispensers free up more time for hygiene-critical tasks with less time checking and refilling dispensers.

**682000**  
Tork SmartOne Twin Mini Toilet Roll Dispenser

## Tork Vision Cleaning

Tork Vision Cleaning uses real-time data to help you better support your hospital's hygiene and meet higher cleaning expectations.

- Save up to 20% of your cleaning hours<sup>8</sup> so you can optimise efficient use of, often limited, available labour resources
- Reduced dispenser checks by up to 91%<sup>9</sup> so you can dedicate more time to critical tasks that affect hygiene
- Dispensers are stocked 99% of the time<sup>10</sup> so staff and patients always have access to supplies to achieve hand hygiene

## Tork Interactive Clean Hospital Training

Tork delivers interactive training to educate staff in correct hospital cleaning procedures and how it contributes to patient safety and clean hospital environments.

- Online training including interactive patient room to learn the right cleaning strategies, and how to follow the correct steps for optimal cleaning
- Helps prepare your cleaning staff with the right tools to ensure all high-touch surfaces are identified and cleaned
- Engaging for all staff with simple tips & tricks and multiple languages included

## VR Hand Hygiene Training

Tork offers Clean Hands Training, an award-winning Virtual Reality training program that is an interactive simulation designed to make hand hygiene training more engaging and inspiring.

- Provides proper hand washing and sanitising procedures for nurses, doctors, and all healthcare staff
- Based on World Health Organisation's (WHO) 5 moments of Hand Hygiene
- Engaging online training helps drive behavioural change to improving your staffs hand hygiene compliance

Look out for this icon for **Tork Vision Cleaning** connected dispensers that provide real-time refill status for a data-driven approach to cleaning and servicing.

**Think sustainable.**

**Sustainability**

To lower your impact we design our products to reduce consumption, waste and greenhouse gas emissions.

Tork Products	Reduces consumption	Reduces greenhouse gas emissions	Reduces waste
Tork SmartOne Toilet Paper	Use up to <b>40%</b> less <sup>1</sup>		
Tork PeakServe Hand Towel			Reduces waste by <b>65%</b> <sup>11</sup>
Tork Xpress Hand Towel		<b>50%</b> lower carbon footprint by composting <sup>5</sup>	<b>84%</b> packaging waste reduction Tork Carry Packs <sup>6</sup>
Tork Xpressnap	Use up to <b>25%</b> less <sup>7</sup>	<b>77%</b> renewable energy used in production <sup>5</sup>	
Tork Liquid Soaps & Sanitisers			<b>100%</b> recyclable cartridges <sup>12</sup>
Tork Reflex	Use up to <b>37%</b> less <sup>13</sup>	<small>1 Compared to standard Jumbo Roll. 2 Compared to Tork H2 Universal Hand Towel refills and dispenser. 3 Based on SCA lab test, July 2016. 4 April 2020 Survey conducted by United Minds in cooperation with CINT. 5 Environmental Product Declaration (EPD) Tork Hand Towels S-P-00851, Toilet Paper S-P-00852 and Xpressnap S-P-0154. 6 Compared to Cardboard Cartons. 7 Compared to traditional napkin dispensers. 8 Based on results achieved by three Tork Vision Cleaning customers, measured before and after the implementation of Tork Vision Cleaning. 9 Based on customer feedback for dispenser checks over 6 months before vs after installing Tork Vision Cleaning between June-December 2019. 10 Measured across nearly 13,000 connected dispensers between June-December 2019. 11 When compared to H1 Universal 290059, 41g vs 117g per 1000 sheets. 12 Compared to standard 1,000mL liquid soap cartridge. 13 Statistics from internal research conducted over a 4 week period comparing Tork Reflex with ordinary centre feed roll.</small>
