

Deliver a simple, safe hand hygiene experience

We've got you covered

Tork® offers a complete line of products designed to meet all your soap and sanitizer needs and improve your restroom image and appearance. Whether you prefer foam or liquid refills, manual or automatic dispensers, Tork has the right solutions to meet your needs.

The effectiveness you need

Tork Foam and Liquid Refills are formulated to deliver an effective hand hygiene experience. Yet, they are gentle on skin and mild enough for frequent hand washing, especially in environments like foodservice and healthcare.

No added fragrance or dyes, Green Seal™, ECOLOGO®, NSF, and USDA BioPreferred certified selections are available to meet your specific washroom needs.

Tork hand sanitizers provide additional hygiene without the use of water and are available in both alcohol and alcohol-free formulas to meet a variety of needs.

The easy maintenance and stylish look you want

Tork Skincare Dispensers are part of the Tork Elevation family of dispensers, providing sleek, hygienic dispensing and creating a coordinated restroom design.

Refill bottles collapse as the contents are used, helping to reduce waste and unnecessary spills when refilling the dispenser, saving time and labor. Factory-sealed bottle with a new pump for every refill helps reduce risk of contamination and protect the formulations all the way to the hands.

Deliver a consistent, high quality restroom experience with the new Tork Counter Mount Soap system

Easy to maintain and refill

The drop down, front load dispenser is designed for easy service and the refill bottle with grip design allows for quick refilling. The dispenser features a 6ft long hose, offering flexible placement options for refilling convenience. This dispenser can be connected to Tork Vision Cleaning for visibility to the refill level status.

High-quality experience

This dispenser system is sensor driven for touch-free hand hygiene, helping to reduce the risk of run outs. This refill bottle features a tamper resistant pump.

The high capacity 2L refill bottles serve up to 2,650 visitors between refills*. Featuring a luxurious foam soap quality, this dispenser system stays primed for soap on demand. The sensor driven system delivers touch free hand hygiene to further enhance the restroom experience.

Sustainable Hygiene

The Tork Counter Mount Foam Soap system helps support sustainable aspirations featuring adjustable dose sizing and Tork Extra Mild Foam Soap refill which helps reduce soap consumption by up to 50%**. The formula is gentle to skin, suitable for frequent use, and is EcoLogo and Green Seal certified.

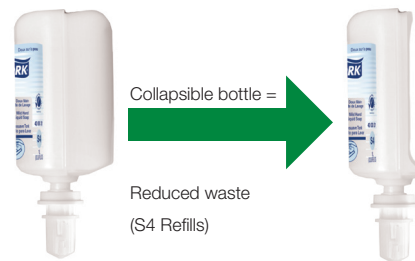

Tork Soap and Sanitizer

- Touch-free, automatic dispenser option
- High-capacity
- Controlled dispensing
- Collapsible bottle
- Quick and easy refilling
- Sealed system
- Hygienic nozzle
- Environmentally responsible
- NSF, ECOLOGO and Green Seal certified options
- Refills available that meet LEED requirements
- Sleek Elevation Design or Image Design™ matching other Tork dispensers in your restroom

A hygienic, sealed system

Tork soap and sanitizers come in sealed bottles and have a fresh nozzle with every refill for a more hygienic hand wash. The fully collapsible bottle ensures refills are completely used, helping to reduce waste.

Quick and easy refilling

Tork dispenser systems offer certified effortless maintenance and intuitive refilling in less than 10 seconds¹, simplifying maintenance. Open the dispenser and take out the empty bottle. Twist the foam nozzle to open, put in the refill and close. Ready to use.

Tork Constant Air Freshener system

- ✓ Designed to deliver a constant, pleasant experience, which helps to avoid restroom complaints
- ✓ No spray and fade effect due to unique distribution technology²
- ✓ Eliminates bad odors rather than just masking them
- ✓ Flexible placement at reachable height for easy refilling

¹ Based on internal panel test soap refilling time.

² Patented technology based on a proven fuel technology used in the pharmaceutical industry, where precise doses are essential to treat human beings and animals
