

Hand Sanitizing

Think ahead.

Disinfect your hands

Dispense enough sanitizer to cover all the surfaces of both hands and wrists into the palm of your hand

Dispense enough sanitizer to cover all the surfaces of both hands and wrists into the palm of your hand

Rub the palms together

Rub the palms against the back of the opposite hand with fingers interlaced

Rub the palms together with fingers interlaced

Rub the backs of fingers against the opposing palm

Rub each thumb inside the opposite palm

Using circular motions, rub the fingertips against the opposite palm

Remember the wrists

When dry, your hands are safe

20-30 sec
