Tork Focus4 Sustainability

Tork products look at hygiene through a circular lens, offering hygiene solutions that are more efficient, accessible, and sustainable. Through the new Tork Focus4 Sustainability materials, we provide you with sustainability data and benefits of our products to make it easier for you to focus on what matters for your business.

Materials & packaging

Responsible sourcing and increased use of renewable, recycled and natural content.

Use & waste

Reducing waste through reduced consumption and circular solutions.

Carbon

Lowering carbon impact throughout the total life cycle of Tork products and services.

Hygiene for all

We are dedicated to raising hygiene standards for the majority of users.

Discover our holistic and transparent approach

Tork is committed to developing innovative, sustainable hygiene solutions that are smart for business, better for people and planet. Tork Focus4 Sustainability benefits make it easier to choose the best product for your sustainable washroom.

Tork is committed to developing innovative, sustainable hygiene solutions that are better for business, people and the planet.

Focus4 sustainability product benefits

13 Focus4 sustainability benefits

- 1 Materials & packaging
- 4 Use & waste
- 2 Carbon
- 5 Hygiene for all

Materials & packaging	Use & waste
<ul style="list-style-type: none"> EU EcoLabel certified rolls – reduced environmental impact across the product life cycle. FSC® certified rolls – made from responsibly sourced fibre. 	<ul style="list-style-type: none"> Reduce refill frequency with a one-at-a-time dispensing system that helps control consumption and reduce waste (2). Reduce waste on the floor with dispensing that is over 99% leak free. Switching from Tork C Roll to Tork PeakServe will help reduce waste with 25% (2). Tork hand towels can be recycled into new tissue via Tork PaperCycle® (2).

Carbon	Hygiene for all
<ul style="list-style-type: none"> Carbon neutral certified dispensers – produced with certified renewable electricity and compensated with climate projects (2). Reduce transportation with rolls that are compressed by 50% (2). 	<ul style="list-style-type: none"> Highest capacity (up to 250% more sheets) on the market (2) means fewer refills, allowing staff to spend their time more effectively (2). Refills are third party verified for sheet-steam food contact. Drying hands with Tork paper towels will reduce more bacteria (5). Dispensers are certified Easy to use (2). Tork Easy Handling® ergonomic packaging for easier carrying, opening and disposal.
