

TAKING A LUNCH BREAK IS GOOD FOR BUSINESS

Eating at your desk doesn't equate to dedication!

Those who take regular lunch breaks report being happier, more productive and more engaged at work – in fact, they're more likely to say they are as efficient as they would like to be, compared to those who don't take lunch breaks.* That's like taking your work from an A- to an A+.

Join the movement! Post a photo of yourself enjoying a lunch break using [#takebacklunch](#) and visit TorkUSA.com/takebacklunch to learn more.
