Tork exelCLEAN

exelCLEAN®

- exelCLEAN is a Tork wiper offering for cleaning tasks in which detergents or solvents are used
- 6 base sheets/quality tiers and WyPal matchups (good to best)

| If this WyPal item | Then this Tork item |
|--------------------|--|
| X50 | 500 series Light Duty Cleaning Cloths |
| X60 | 510 series Cleaning Cloths |
| Rags | 520 series Industrial Cleaning Cloths |
| X70 | 530 series Heavy Duty Cleaning Cloths |
| X80/X90 | 570 series Industrial Heavy Duty Cleaning Cloths |

520 series – Best alternative to rags and rental towels

1. One case of the 520374 (handy-box) = 4 ea 25lb bags of rags
2. Tork differentiator - Multipurpose wiper
 - Outperforms rags and rental towels – consistent quality & size, more effective with less effort
 - Rags are usually treated (ex. Cotton is generally treated not to shrink, clothes are treated for moister wicking)
 - Tork wipers do not smell, have stains, and limits contamination that can damage surfaces
