

Think ahead.

# Tork Clean Care

## To effectively wash your hands, simply follow this 5-step process

**1.**  
Wet hands and arms

.....

**2.**  
Apply Tork soap — be sure to dispense enough to cover both hands

.....

**3.**  
Scrub hands and arms vigorously for 30 seconds

**4.**  
Rinse hands and arms thoroughly with water for 30 seconds

.....

**5.**  
Dry hands and arms with a single use Tork paper towel
