Tork Soap and Sanitizer solutions

Dispense confidence with Tork Soap and Sanitizer solutions

Meeting a range of hygiene needs while maintaining high standards

Different areas within your business will have different hand hygiene needs. But maintaining multiple solutions means extra time and complexity for facility managers and cleaning staff. More versatile solutions can help improve operational efficiency.

As the global leading brand in professional hygiene,¹ Tork can help improve your business performance through sustainable hygiene management.

The Tork Soap and Sanitizer offer includes:

- Tork Soap and Sanitizer Manual Dispensers: One versatile dispenser system, compatible with all Tork foam soaps, liquid soaps and hand sanitizers, allowing you to use one solution across your entire facility. Deliver the right dose - variable dose size optimizes consumption and hygiene.
- Easy to see refill - transparent window makes refill type and level always visible.
- Tork Soap and Sanitizer Dispensers with Intuition® Sensor with a wide range of Soap and Sanitizer refills, offers touch-free dispensing that ensures good hand hygiene for all users.
- Factory-sealed bottles, with a new pump for each refill, helps reduce the risk of contamination. Highly effective formulations, with carefully chosen ingredients.

Using one Tork hand hygiene solution throughout your facility will deliver **efficiency benefits** that support hygiene, safety and your business's bottom line.

¹ Based on 2023 global sales of Tork branded products & services for professional use

Meet different, demanding hygiene needs with one versatile solution

Tork Soap and Sanitizer products help you maintain a high level of hygiene and do more for your business, by providing safe, sustainable solutions with multiple efficiency benefits.

Flexible dispensers that suit any location or situation:

- One dispensing solution meets all needs with sensor-driven touch-free or manual options, ensuring the highest levels of user comfort and hygiene.
- Tork Soap and Sanitizer dispensers take less than 10 seconds to refill,¹ saving cleaners time and effort.
-  Compatible with Tork Vision Cleaning – know when and where it's time for a refill.

Dispensers that elevate your environment:

- Award-winning dispenser designs integrate seamlessly into any setting.
- Dispensers come in a variety of colors and dispensing options, including sensor and manual.

Award-winning, **Tork Clean Hands Training** is available in VR and on desktop promoting hand hygiene compliance in acute and long-term care facilities. This training method is a result of a collaboration between Tork, university hospitals and world-leading hand hygiene experts.

¹ Based on internal panel test soap refilling time

Hygiene for all

Tork dispensers are certified Easy to use¹, helping you maintain a higher standard of hygiene throughout your facility. When products are easy to use, more people practice proper hygiene, which is better for your staff, your customers, your business and your reputation.

Tork Soap and Sanitizer products:

Promote hygiene:

- Antimicrobial soap and hand sanitizers, in foam form, help reduce a broad range of germs that may cause illness.
- Gentle soap formulations encourage good hand hygiene.
- Tork sensor dispensers can help increase hygiene confidence with touch-free dispensing.

Are efficient:

- Refilling is intuitive for cleaners and takes less than 10 seconds, minimizing the time cleaners spend maintaining dispensers.²
- Serves up to 1,650 visitors.³
- Tork Soap and Sanitizer dispensers are reliable, hassle free, and proven to last for over 1 million pushes.⁴

Are easy to use:

- Tork Soap and Sanitizer dispensers are certified Easy to use, encouraging hand hygiene for all.¹

 **Carefully chosen ingredients keep skin healthy and smooth**

¹ Certified by the Swedish Rheumatism association

² Based on internal panel test soap refilling time

³ Based on Tork Foam soap with 0,4ml dose size and considering 1,5 pushes per visitor

⁴ Based on durability test

Select solutions to help support your sustainability goals

46% of consumers consider the effect of hygiene products on the environment during purchase.¹

Tork Soap and Sanitizers have range of sustainability benefits:

Reduce waste and consumption:

- Using Tork foam soap helps reduce consumption by up to 50% compared to liquid soaps.²
- Refill bottles are collapsible, reducing waste volume by 70%.³
- Carbon neutral certified dispensers available – produced with certified renewable electricity and compensated with climate projects.⁴
