

Tork Pre-Work Hand Cream

Strengthens skin and prevents dryness

1

Apply small amount of cream to back of clean, dry hands

2

Rub cream in evenly

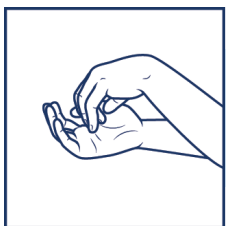

3

Be sure to get cream between fingers

4

Remember to get the cream on your fingertips and nail beds

5

Rub rest of cream in palms and under nails

Think ahead.

Clean

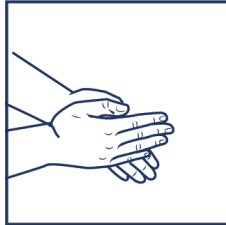

Tork Heavy Duty Soap

Removes heavy dirt, grease, oil, metallic dust and soot
